

Dobenecker

Gabriele Dobenecker holds a Master in Computer Science from the University of Hamburg. She spent over 20 years in IT and high-tech industries. After some years in application development, she held responsible positions in national and international marketing and business development in companies like Sybase, SAS Institute and General Electrics. Furthermore, she was consultant and analyst in the areas of customer relationship management and business intelligence, e. g. at Meta Group Inc. Beginning of 2007 Gabriele Dobenecker started at Empa heading their Marketing, Knowledge and Technology Transfer section. Since autumn 2018 she is responsible for Fundraising, Entrepreneurship & Industry Relations at Empa.
