

Goldman

Michel Goldman is Professor Emeritus of Immunology at the Université libre de Bruxelles where he is the Founding President of the Institute for Interdisciplinary Innovation in healthcare. He currently serves as the Editor-in-Chief of *Frontiers in Medicine* and was the first Executive Director of the European Innovative Medicines Initiative from 2009 to 2014. Michel Goldman is a laureate of the Lucien Steinberg Prize (shared with Pr. Peter Piot, 1997), of the Quinquennial Prize of the Belgian National Fund of Scientific Research (2000), and of the Spinoza chair at the University of Amsterdam (2001). In 2007, Michel Goldman was awarded the degree of Doctor Honoris Causa of the Université of Lille.
