

## Monard

dr.ir. Elisabeth Monard was for 10 years (2005-2015) the Secretary General of the Research Foundation Flanders (FWO). She has been trained as a civil engineer (applied chemistry) and holds a PhD in Applied Sciences from the KU Leuven, Belgium. She started her professional career as a teaching and research assistant at KU Leuven, then she was engineer and chief engineer-director at the Ministry of Public Health and the Environment (Radiation Protection) and Secretary of the Flemish Science Policy Council (1989-2005). In 2011 she was one of the founders of Science Europe, of which she was vice-president and acting president from 2013 to 2015. Her expertise is mainly in the field of science and research policy. Elisabeth Monard is currently elected president of the KVAB for a two-year term (2021-2022).
