

**Royal Swedish Academy of
Engineering Sciences**

IVA builds bridges between the business community, academia and policy makers.

We bring together the expertise and experience of about 1.300 Academy Fellows and 250 member companies.

The background is an abstract composition. It features a dark, textured upper half with streaks of light in shades of blue and white. A prominent, bright green horizontal band stretches across the middle. Below this band, there are more light trails, some in orange and red, creating a sense of movement and energy.

IVA's VISION:
Technology in the service of
humanity

The background of the slide is an aerial photograph of a river delta, showing intricate patterns of water and land. The colors are predominantly teal, green, and blue, with some lighter, sandy areas visible. The text is overlaid on this background.

IVA's MISSION:

"The Academy's mission is to promote the engineering and economic sciences and the development of industry for the benefit of society."

IVA's statutes § 1

An aerial photograph showing a dense, lush green forest canopy. The trees are tightly packed, creating a textured pattern of various shades of green. The lighting is even, highlighting the density of the foliage.

IVA's GOALS:
Competitiveness and sustainable
development

Engaging the future

Young leaders:

Prince Daniel's Fellowship – inspires young people to become entrepreneurs and supports younger entrepreneurs

Future Digital Leaders – digitalisation as a force for renewal and innovation

Future generations:

IVA's Student Council – helps develop ideas for Sweden's future

Young Academy of Sweden

IVA's Presidium

- Marcus Wallenberg, Chair

- Anders Lindberg, vice Chair
- Stefan Bengtsson, vice Chair
- Kristina Edström, vice Chair
- Magnus Hall, vice Chair
- Tuula Teeri, IVA's President
- Johan Weigelt, Secretary to the Academy
- Lovisa Berglund, Chair IVA's Student Council

IVA's Leadership Programme (IFG)

- Founded 1970
- 15 participants with leadership responsibility in research and development under the age of 45
- Strong cross-industry and cross-sector network, with each participant representing a unique subject area within the group

Participants

Business	Research and Innovation
Volvo	Ministry of Enterprise and Innovation
AstraZeneca	Agency for Innovation Systems
Scania	Research Institutes of Sweden
Electrolux	
ABB	
Drupps	

Content

- Study trips
- Collegial sharing
- Leadership development
- IVA network/activities

Business Model

- The fee is cost-based
- Decided in advance (3 years)
