IVA builds bridges between the business community, academia and policy makers.

We bring together the expertise and experience of about 1,300 Academy Fellows and 250 member companies.
IVA’s VISION:
Technology in the service of humanity
IVA’s MISSION:

“The Academy’s mission is to promote the engineering and economic sciences and the development of industry for the benefit of society.”

IVA’s statutes § 1
IVA’s GOALS: Competitiveness and sustainable development
Engaging the future

Young leaders:
Prince Daniel's Fellowship – inspires young people to become entrepreneurs and supports younger entrepreneurs
Future Digital Leaders – digitalisation as a force for renewal and innovation

Future generations:
IVA’s Student Council – helps develop ideas for Sweden’s future

Young Academy of Sweden
IVA’s Presidium
